

2009 Hanging Baskets

Dear Supporter,

Over the past four years Henley-on-Thames has continuously won Britain in Bloom awards, receiving the Silver Gilt Award in the 2008 Regional event. This can only be achieved by the sponsorships received from local businesses, shops and organisations who together contribute towards the floral displays adorning the town centre and riverside, helping to make Henley a more attractive place for its residents and visitors.

On behalf of the Henley-in-Bloom/Civic Pride Sub Committee I would like to thank you for your continued support and we hope that this year you will once again purchase hanging basket(s) from our scheme.

Chairman of Henley-in-Bloom / Civic Pride Sub Committee
