

HENLEY LIFE GUARD CLUB

REPORT FOR ANNUAL TOWN MEETING 2010

We have a 13ft Dell Quay Dory Safety Rescue Boat which we use when requested at various events in the local area. We cover events in Marlow, Reading and upstream to Oxford.

Dragon Boat Races, Canoe Marathons, Raft Races, Regattas and Head of the River events are all on our list. Another event we were called out for was the Early Morning Swim in June, upstream from Temple Island along the Regatta course. We also included parties and Music Festivals on the river bank. Last year was the first Rewind Festival at Henley.

The club has been in operation for over thirty years. @
