

## HENLEY-ON-THAMES PROBUS CLUB

The primary object of the Club is to provide fellowship for retired and semi-retired men in the Henley area. We provide an opportunity to develop friendships over coffee, in the bar and at lunch and listen to interesting speakers. In addition, the club organises excursions to places of interest and two special lunches with guests each year in the summer and at Christmas.

This last year our speakers' topics have included "The Roman Army Circa 120AD", "Stroke Awareness", The Henley Workhouse and the RLNI

Trips out have included The Brooklands Air Museum, The Watermill Theatre, The SS Great Britain in Bristol, and the RHS Garden at Wisley. A five day trip to South West Ireland is taking place in May.

The Club meets at the Badgemore Golf Club on the second Tuesday of each month at 11:00 a.m.

New members are always very welcome. If you might have an interest in joining us, please contact Roger Griffiths 01491 575137 / [regriffiths@waitrose.com](mailto:regriffiths@waitrose.com)
