

## **Henley 60+ Social Club**

Market Place  
Henley-on-Thames  
RG9 2AA

The Henley 60+ Club provides a comfortable, friendly and relaxing venue for the senior citizens of the town.

We have over 100 members. Our healthy lunches are enjoyed by members on Monday, Wednesday and Friday, and are provided by our chef Marek. At £6 for a main course with pudding, this is considered very good value. Last year we served over 3,700 meals. We also have the services of a Chiropodist on Mondays, at the very reasonable rate currently of £20.

As of last week we are pleased to welcome our new hairdresser Bianca, following the retirement of Janet, who has been with us for 25 years. Bianca also offers excellent service to our members at very reasonable prices.

The Club is run by our two Managers Sharon and Paula, who job share the position, and are always on hand to assist members. The Management Committee, made up of The Mayor of Henley, Town Councillors and volunteers, meets quarterly. The Members Committee run by Ann Eggleton, provides entertainment including the ever popular Bingo and outings for members. We are lucky enough to be given funding from the Tony Lane Foundation to provide a Tea Party for members once a year. Last year we were treated to a performance courtesy of the Henley Festival to hear the beautiful voice of Maz O'Connor

We are extremely grateful to Henley Town Council for the use of our building, and also for their annual grant. Organisations in the town have been most generous to the Club and demonstrate the good community support that there is for us in Henley.

Membership costs just £18 a year and brings with a host of benefits. All welcome to visit us any time we are open from 10am to 4pm, Monday to Friday.
