

At **Henley Rowing Club** we pride ourselves on having a friendly and welcoming atmosphere to enable people to enjoy rowing whether at a competitive level or recreational. We offer both 'learn to row' courses and private tuition aimed at adults and juniors who have never rowed before and would like to give it a try.

For more experienced rowers our squad system is structured to enable you to choose the most appropriate level.

For general enquiries [contact us](#) or contact manager@henleyrowingclub.org
