

# Lions Club of Henley-on-Thames

## Summary of recent activities

Henley Lions Club is a voluntary service organisation, part of Lions international. We are a group of men and women drawn from all walks of life and we enjoy working together to raise funds for local charities. We also assist people or organisations in our community that require support in various practical ways. Through Lions International we support carefully selected international charitable causes.

The Club was chartered in Henley in 1971 and we currently have 26 members. During 2017 we raised and distributed over £25,000 to a wide range of local charities.

Our recent projects, many of which, we operate on an annual basis include:

The Winter Fuel Project

Regatta Car Parking

Swimarathon

Santa's Sleigh

Santa at Toad Hall
