

Report for Henley Town Meeting
April 10th, 2014

Riverside Counselling Service has now been providing professional, affordable counselling to the local community for 25 years. Our service grows in size every year to meet the increasing demand, and last year was no exception. We now have 18 counsellors working on a voluntary basis from rooms at the Friends' Meeting House, CAB and HVB in Henley. Our clients and counsellors come from a wide geographic area, spreading over Oxfordshire, Berkshire and Buckinghamshire,

We were delighted to be chosen as one of the Mayor's five charities last year and have really enjoyed our joint fundraising activities with Stefan. We have been involved in various events, such as the Last Night of the Proms and the Santa Fun Run, and are looking forward to the upcoming Cycle Challenge.

Riverside has hosted a number of successful fundraising events of its own, including our annual Winter Dinner in November and a Ladies' Lunch held at The French Horn in Sonning in March. These have not only raised much needed funds, but also helped to increase our profile in the community, making more people aware of the help that is available.

People who wish to receive counselling can self-refer or be referred by their doctor or other health-care professional. Our flyers are available at doctors' surgeries, the town hall, the CAB, Friends' Meeting House and various other places around the town.

We are proud of our 25 years of service to the community and of our hard-working team who make it possible.
