

THE HENLEY VISUALLY IMPAIRED GROUP

The Henley Visually Impaired Group has members that suffer from many different eye conditions including macular generation, cataracts etc.

The group meets once a month, (first Tuesday) at Rotherfield Greys Village Hall between 2-4pm and transport is arranged to and from the hall.

We are the biggest local group with around 13/14 people coming each month. We have different entertainment each month including talks. We'd love to invite more people so please get in touch if you know someone."
