

The Rotary club of Henley Bridge

The Rotary Club of Henley Bridge has 29 members at this time, but is working hard to increase membership.

The club meets at Badgemore Park Golf club each Wednesday evening at 7.00. enjoy a meal and usually a speaker.

We are working towards a Breakfast group meeting twice a month for those who cannot make the Wednesday meetings.

We organise fund raising events including the Sue Ryder Fireworks night, which has raised over £200,000 over the last 21 years. Also the Henley Half Marathon & 10 k which raised over £28,000 last year. Most of this is now spent on local and international needs.

Some 18 local organisations and charities have received donations from us including RNLI, Army & Air cadets, Camp Mohawk, Bishopswood School. Air Ambulance and many others.

On the international side, we are supporting the rebuilding of a mission Hospital at Kamuli in Uganda and have sent Shelterboxes to the Philippines.

We have a twin arrangement with two Rotary clubs, Bad Oldesloe in Germany & St. Hilaire in France and enjoy exchange visits.

We organise a Young Chef competition with local schools

We have fun and fellowship and need new members to keep up the good service.
