

## **SOUTH OXFORDSHIRE DISTRICT COUNCILLOR REPORT COUNCILLOR MRS JOAN BAND**

SODC having been homeless for a good part of the year have managed to deliver front line services and still keep to budget. The officers and all councillors have pulled together to work under difficult conditions. Yet we are still on the top of the country's list of best recyclers. SODC has shot up 19 places in the Halifax survey of the best rural places to live reaching no 10.

It should be noted that SODC is very adequately insured in this regard.

SODC's new rented accommodation in Milton Park is being prepared for occupation in May. A five year lease has been signed to give the new Councillors time to find a permanent home.

Councillor Mrs Joan Bland
