

The Lions Club of Henley-on-Thames is a registered charity involved with fund raising and community service projects. Funds have been raised at events such as the Swimathon, car parking at the Henley Royal Regatta and helping Santa at his Toad Hall Grotto. Some of the recent projects have included working with the physically and mentally handicapped, organising outings for local children, helping young people through sponsorship, promoting our Winter Fuel Project to assist those in fuel poverty and creating a garden along the Reading Road supporting Henley in Bloom. For the last 16 years we have packed, then delivered Christmas parcels to individuals and families in need.

Our purpose is to serve our community by arranging events that provide funds or resources for good causes or individuals. Our motto is “We Serve”.

At present we have 22 members, 21 Regular, and 1 Lion at Large. But we are always looking to recruit new members. If you have time on your hands, new ideas, and could help those less fortunate, this is a fantastic opportunity to engage with your local community. Join the Henley Lions and you will be welcomed by an outgoing and friendly team who hold monthly meetings and organise social events. We look forward to meeting you! Membership by invitation.
